Bilateral Meetings

- 10:00 h - 13:00 h

Description

WavEC Offshore Renewables is a private nonprofit association created in 2003 to develop its activities in three areas: applied research, consulting, and pro bono activities, characteristic of a private non-profit organization, namely the dissemination and promotion of opportunities associated with the early development of marine renewable energy in the country, among companies, the public administration and the general public, and also the training of young people within curricular internship and advanced training, including Master's and PhD theses.
